

Ventura County Homeless Management Information System

Participant Acknowledgement of and Authorization for Information Collection and Sharing with Partner Agencies

The U.S. Department of Housing and Urban Development (HUD) requires participant's personal information be collected and entered into VCHMIS in order for Ventura County to be eligible to receive HUD funding. VCHMIS and its Partner Agencies can then share client information electronically and verbally to collaborate more quickly and efficiently to provide comprehensive and coordinated services for homeless and low-income households at risk of homelessness in Ventura County.

As a participant in our program, the information you provide will be collected and entered into VCHMIS and shared with Partner Agencies electronically and through case conferencing and collaborative efforts to better connect you with services to help you achieve your goals. Please note that only authorized staff of Partner Agencies will be able to see your information. VCHMIS has many security protections to ensure confidentiality of participant information from all but authorized staff of VCHMIS and of Partner Agencies. (Partner Agencies are listed on reverse side.)

You may refuse to provide information about yourself, and you may cancel this authorization to share information at any time by completing a Client Revocation of Consent to release information to VCHMIS. Refusing to share data will not prevent you from receiving services but may delay your access to some programs within the community service system.

Please check one of the following levels of consent which will be valid for one year from date signed:

_____ I give authorization on behalf of me and my dependents for protected personal and relevant information to be entered into the VCHMIS and shared between partner agencies through case conference meetings and communication between providers on referrals.

_____ I give authorization on behalf of me and my dependents for personal and relevant information to be entered into VCHMIS, but not shared between Partner Agencies.

_____ I do not consent to the entry of personal information about me and any dependents into VCHMIS.
